

\$59 Non-Fasting Health Screening

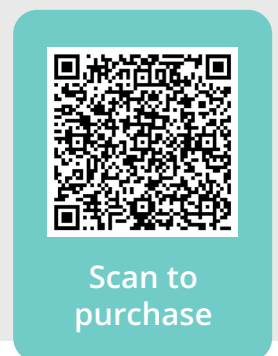

Commemorating our Nation's 59th birthday, Raffles Medical has launched a non-fasting screening package for patients who wish to learn more about their health, at any time of the day. Available across all Raffles Medical clinics.

This health screening includes:

Laboratory Analysis

- Full Blood Count
- Blood Glucose
- Lipid / Cholesterol Profile
- HbA1C
- Uric Acid
- Urinalysis
- Liver Function
- Kidney Function
- Tumor Marker
(Choice of 1)
 1. Liver (AFP)
 2. Colon (CEA)
 3. Pancreas (CA19-9)
 4. Ovary (CA125) – for ladies
 5. Prostate (PSA) – for men

Post Screening Review with Doctor Medical Report
